The Last Day to Order a Yearbook Online is February 12th

Ordering a yearbook is easy. Purchase your copy online at [www.jostensyearbooks.com](http://www.jostensyearbooks.com)  
Select Bow High School from the drop down menu. The cost of the book is now $85

Intersession 2015:

Due to the snow day this week, the overnight intersession meeting for parents has been moved to Monday, February 2, from 5-6pm. Important information will be given out at this time. Snow date Thursday February 5, from 5-6pm.

More information about intersession can be found at: [http://dixonbhs.wix.com/bowintersession](http://dixonbhs.wix.com/bowintersession)  
Follow us on Twitter and Instagram: @BowIntersession

Course Registration for School Year 2015-16 Has Begun

The 2015-16 Program of Studies is now available on our website. School Counselors met with all students on Monday, January 26th to kick off course registration for the next school year. Students should make their course selections on the blue forms. Once the form is filled in and a parent has signed the form, students will make an appointment with their school counselor for a ten minute meeting to discuss their choices and complete their credit counts for graduation. Forms must be signed by a parent prior to the appointment and will not be accepted without that signature. The counselors will then confirm their choices and input them into the computer. All appointments should be completed by Tuesday, February 17. If you have questions/concerns please don't hesitate to contact your child’s counselor.

A- Col  cdesruisseaux@bownet.org  
Com-Mas  mhoberman@bownet.org  
Mat-Z  jfarese@bownet.org

AP Exams

AP exam registration will start on Monday, February 2. The schedule and registration forms are enclosed in this announcement. All AP students MUST attend the AP meeting on Monday, February 2 at 9 AM in the BHS auditorium.
Bow High School Principal’s Report - February, 2015

Geographic Imaging System (GIS) School Presentation

Here is a link to the Bow High School GIS Presentation that kicked off our first Community Meeting of the 2014/2015 school year on Wednesday, August 27th. I am providing this link here as it has been requested for viewing: http://bit.ly/1qGMrzR.

Many thanks to BHS Math & PLTW teacher Marcel Duhaime, who prepared this GIS presentation, and deserves congratulations for two very prestigious and competitive awards that he is responsible for:

1. Samsung

Bow High School was recently selected as the winner of the Samsung Solve for Tomorrow Competition. This competition was to find creative ways to use technology to solve local problems. We will be getting $20,000 worth of Samsung equipment and are now competing nationally for up to $120,000 more!!!

Proposal: Students will write an app for their mobile devices that will allow people to mark where large piles of trash (illegal dump sites) are found when walking around the town forests of Bow. The app will mark what it is, how large it is and where it is located. This info will automatically show up on a map that will be shared with groups in town looking for community service projects (i.e. Boy Scouts, Venturing Crew, Bow Open Spaces, Conservation Commission, etc.). These groups will go out, remove all trash and then mark that the site has been cleaned up. Dump site locations will also be analyzed to see if there are any patterns so our town managers can make changes to reduce this practice in the future (i.e. install gates, police patrols, etc.). Final video of this project will be submitted by the February 13, 2015 deadline

2. GeoPriSM: Geography Projects in Science and Math

Bow High School is participating in this grant funded through the state’s Math Science Partnership (MSP). Students in several math classes are developing maps that answer questions, solve problems or help make decisions. A final “Community Atlas” of these projects will be submitted prior to the end of April. See Mr Duhaime if you would like a tour of all that has been accomplished so far.

Nordic Ski Program Update

Dr. Chris Namie, BHS Physics & PLTW teacher and Nordic Ski Coach, has been working steadily since last year to raise funds to purchase trail grooming equipment for our BHS trail system. This has been extremely successful, with many funds still coming in from alumni, as Chris has raised over $18,000 through donations to purchase a new snow machine and trail groomer to prepare our trails. A local resident also donated a shed to our Nordic program and will provide storage for the snowmachine and groomer. Many thanks to all who contributed, an especially to Dr. Clete Baier, who has partnered with Chris to support the Nordic Ski program for many years.

In addition to his teaching responsibilities, Dr. Namie has been actively involved with the NHHCA Coaches Series Races and NHIAA Capitol Area Championship Meets, including the NHIAA Meet of Champions, where he serves as the Chief of Race/Technical Delegate, and is also the Leader of the Team NH for the Eastern HS Championships. It’s easy to see why our Nordic program is one of the tops in New Hampshire and New England every year. Congratulations Coach!

Learning Commons Update – provided by Jeanette Lizotte

We have removed numerous outdated titles from non-fiction and will continue going forward. Forty wooden chairs were recently refurbished by the Concord Men’s Prison

Met with the other BSD library media specialists, including Dunbarton for going over our various programs and discussing LibGuides. LibGuides is our webpage program that has class assignments, research guides, our own BHS collection and much more
Baker Free librarians met with BSD librarians to discuss various children and young adult issues and programs that we are collaborating on together.

Baker Free Library received a monetary gift from the late Robert Morgan, who was a former BMS teacher. These funds are to bring in a writer/presenter that can work with all four schools. Rebecca Rule will be coming in May.

A newly formed book club at BHS is on their second book. They have the opportunity to select titles from YALSA (Young adult library association of American Library Association). The NH State Library has multiple copies of books for groups to use provided by YALSA (Bookbag program). We have made arrangements to get these for the book club each month. Fiction and nonfiction may be chosen.

I have been Sam Dixon’s mentor this year for his school library certification through PSU. He has been working with me on ideas for creating a Learning Commons. He brings fresh ideas on how we can develop positive change; we realize it needs to be a change culture (which will be school-wide).

I visited SNHU’s Learning Commons and found we are doing some of the same in our Learning Commons. The comfortable seating area that we created is working well; we need more at another time as we move forward. I am working with the room/space committee searching out places that could be positive working areas throughout the building.

World fair was introduced in November and I made presentations showing students how and what to do for research. We were very busy with the juniors while they collected information and materials.

The tutorial room is ready for classes to collaborate; we have not had as many groups use this as much as we thought. We understand the culture of the school needs to adapt to collaboration for this to work.

The Learning Commons reflects that changes that are taking place at BHS, and students are meeting to collaborate and cooperate in ways that are different from more traditional approaches.

Respectfully,

John House-Myers

Freshmen Humanities Class

Freshmen Claire Aurilio and Hugh Gunnison work together to build a structure out of straws and tape that will catch a golf ball during the Freshman Morning Team Social Innovations Kick-off Monday, January 26.

Diana Pollock, Brianna White, and Susannah Budd put their straw and tape structure together in hopes that it will catch a golf ball.
Bow Falcons Hockey Fan Mixer

You are invited to attend the Bow Falcons Hockey Fan Mixer on Valentine’s Day from 7-11 PM at Concord Country Club. Contact Denise Champagne at tmoet@aol.com for tickets - $30/person or $55/couple. There will be a cash bar, appetizers, dancing, silent auction and raffles. Tickets are limited.

Upcoming Center for College Planning Events...

NHHEAF (NH Higher Education Assistance Foundation) programs are always listed on their Events page at http://www.nhheaf.org/events.asp. Check it out!

From the School Counseling Office

Seniors:

Calling All HS Seniors:

Keynote Speech Contest

Win a $1,000 scholarship!

Submit a 3 to 5 minute speech describing your college application experience and offering your advice for the class of 2016.

Applications due Thursday, February 5, 2015.
Get the details at www.destinationcollege.org

NHHEAF has created a FAFSA filing video, now posted on YouTube at https://www.youtube.com/watch?v=40kx1wn-jw4&feature=youtu.be. This video comprehensively reviews the FAFSA sections and offers great tips and tricks on completing this form.

Scholarships & Grants

Scholarships are coming in...they are posted in Naviance...get in on the money and apply today!

Continue to work on your career and community service hours, you will need 20 hours completed to graduate. It looks great to have these hours already posted to your transcript when applying to college. See the volunteer opportunities within these announcements and on the BHS website.

Mark your calendar: Hanover High School will be hosting a GAP year fair on Tuesday, February 3, 2015. Guest speaker, Jason Sarouhanwill, be speaking from 6-6:30 PM and the fair runs from 6:30-8:30 PM. For more information on GAP years log onto: www.usagapyearfairs.org

College application deadlines are approaching. Things that should be completed prior to mailing:

- complete the teacher recommendation and counselor recommendation forms in Naviance (under the "about me" tab), which includes the waiver agreement. That waiver is just for your BHS documents.
- add your teacher(s) as a recommender under the Colleges tab -> colleges I'm applying to -> teacher recommendations, which sends them an email and allows them access to your Naviance account to upload their forms.
• Be sure all of your colleges in Naviance are up to date.
• update your application deadlines with all of your colleges in Naviance (EA/ED/ regular decision, etc)
• complete the common app matching so that we can send documents through Naviance to Common App.
• read through the senior check list located at http://www.bownet.org/BHS/pdf/Senior%20Checklist.pdf to make sure you have finalized all other steps (sending scores through Collegeboard, CSS profile, etc)

If you would like a powerpoint to walk you through the steps in Naviance please click on the link here: http://www.bownet.org/BHS/pdf/ClassOf2014CollegeOverview.pdf.

We ask that students give us 3 weeks notice for deadlines so that we can prepare all the paperwork and make sure it is sent on time. For any further questions, please contact your counselor at:

A- Col cdesruisseaux@bownet.org
Com-Mas mhoberman@bownet.org
Mat-Z jfarese@bownet.org

Juniors:

Sign up for the SAT Prep Class being held in April. This will prep you for the May exam. Info enclosed.

Check out some great summer programs in Naviance. Go to the “colleges” tab and then down to “enrichment programs”.

Did you know that the SAT’s are changing? Find out more here.

The 2015 Destination College event for juniors will be held on Saturday, March 14th at Plymouth State University! This premier college planning event for 1000 high school juniors and their parents/guardians is a great way to get juniors on their path to college!! Registration for the event will open on February 5th, 2015. The Registration site is www.destinationcollege.org. This site will list the scheduled workshops as well as the College Fair attendees.

Sophomores:

Continue to update your resume, work on your career/community hours, work hard!

Freshmen:

Start doing great things that you can add to your resume...volunteer...explore a career....record these hours.

All students should keep their resumes updated in Naviance Family Connection. Also, keep working on the 20 community service and 20 career exploration hours that will be due on January 15th of your senior year. Completed forms can be handed into Martha Rae in the school counseling office. Forms are available for pick up in the school counseling office and on the BHS website under “Student Life”, “Forms”. For volunteer opportunities check out our website.

Working Papers: Please see Martha Rae in the school counseling office for the “Employer’s Request for Child Labor” paper work. If you are 15 years old or younger you will need working papers. Once you find a job, bring the “Employer’s Request for Child Labor” form and a copy of your birth certificate to Martha Rae in the counseling office and she will complete the “Official” working papers for you to give to your employer.
